“ Bruce and I served on the USS Ranger in the Gulf of Tonkin in 1967. He was a good friend and had a brilliant mind. I will always remember our visit to HONG KONG. HE bought a saxophone. We all thought he had a background in music but he just bought it to see how it worked. Needless to say, we all suffered many hours of Bruce trying to teach himself how to play. We had many great times on board the ship and all of the ports of call. I am deeply saddened to hear of his passing and offer my condolences to his family.
