“ I do hope this gets to the family after it has been a few months. I am Carl's cousin from KS, Joyce Gilliland Blakemore. Carl's dad was my mom's brother. Ruby was her name. I just happen to be looking to see if some of our cousins were on facebook and ran across Carl's obituary. I was so sad to see this. We did not know. The last time I saw him was in Key Largo when my husband and I happen to be in that area. We spent the night and had a great visit catching up with each other. We did not see each other very often. Condolences to Bess and the family.

“ Carl was a wonderful friend, and one of the nicest people I ever knew. My wife and I attended the same church with Carl and Bess for many years. I am sorry to hear of your loss Bess. We love you both and I know Carl is with our Lord now.

“ He was just the perfect gentleman. I met Bess and him years ago when I had my camper. He was always willing to discuss and laugh about owning a camper with you. He was the most honest person I ever met. I used to meet Bess and him at the K-Mart car cruise. Before I could even say a word, Bess or Carl were setting up a chair for me and offering me something to drink. We would sit and enjoy a burger and discuss cars, life and talk to the other car enthusiasts. Carl always had a smile on his face and was always willing to help his fellow man. I will surely miss you Carl. I want to Thank Bess and you for sharing your friendship with me.
