“ Sharon:

I was very sad to learn of Carl's passing. Words can't even express my sadness on hearing this news since I remember you and he being wonderful friends to Al and myself early in our marriage. I came to know Carl thru Al's Saturday morning bowling league at the old Coliseum in Mayfield - the Dad/Lad league, of which Carl and Carl Jr. and Al and his son, John, were a team. From there you, you invited us to your house many times for dinner and cards and both in Chesterland and in Mentor and we enjoyed spending time with both of you (remember the Whelp-Way's bowling league we were on :). Carl was a cherished friend of Al's for most of his life and shared many laughs and good times.

I will be unable to attend Carl's celebration of life ceremony since I will be out of town, but John will represent the Brockway family.

I know Al was waiting for his friend Carl in heaven and now they can both enjoy all the fond memories friends share throughout a lifetime.

May God give you, Sandy and Gary the strength to get through this difficult time.

I also want to extend my sympathy to Carl Jr And his family on his fathers passing. I did not extend my condolences to Carl in my earlier posting. I meant to but my typing expertise needs help on the iPad keyboard!
