“ My Aunt Carol’s laugh was infectious! She was always so much fun! When I was a little kid, I loved getting to go to her house and hang out with my cousins. On the drive there she would blast the music and we would sing and she would drive fast over the hills! She would make us laugh doing silly things like doing the Laverne and Shirley “Shamirl shamozzle” walk! Her and my dad would play pranks on each other that as a kid I thought were so fun that I hoped one day I would continue it with my siblings. She was so talented and crafty making us homemade gifts and cards. As the years have gone on and the miles have gotten further and further away, I haven’t gotten to visit with Aunt Carol like I would have liked. I Love you Aunt Carol and till we meet again one day!
