

Carol Durda

September 7, 1941 - November 4, 2014

Carol Durda, 73, lost her struggle with COPD on November 4, 2014, peacefully under the care of Hospice of the Western Reserve.

Carol was a long time nurse for the elderly, a profession she held until just four years ago.

In an effort to be remembered not for her last moments of illness or difficulties but for the joyous moments in between we invite family and friends to join us in the chapel at Western Reserve Memorial Gardens, 11521 Chillicothe RD., Chesterland, Ohio 44026, on Saturday November 8, 2014 at 12:00 PM. Come celebrate the woman that was a mother, companion and friend.

Carol is mourned by her three children, Susan (Dr. Jeffrey) Edelman, Paul Durda and Diane (Dr. David) Keep and her companion of twenty years Emmanuel N'Dow. Her legacy is carried on by her five grandchildren, Jamie, Rachel and Alex Edelman and Lauren and Luke Keep.

In Lieu of flowers contributions may be made to Hospice of the Western Reserve, 17876 St. Clair Avenue, Cleveland 44110-2602 or Donate online at hospicewr.org
