“ Dear Penny,  
*If ever there was a dedicated and wonderful daughter to a mother, it was you. You and your parents, especially your mom, we're so close. I know you and David had a standing date with your parents every Saturday evening for decades. I Also know she loved you and David so much. I am so sorry for your loss but know she and your dad are so happy to be together again in heaven. I know you were the light of her life. Jack and I are so sorry for your loss.*
