“ John and Chrissy, Our hearts are filled with love for you and your entire family. We are most grateful that your parents shared each of you with this world for our family to love. Always know that you have a special seat at our table. Today we celebrate your parents and ours together in heaven. With the planting of this memorial tree, remember as each new branch adds to the strength and life of the tree, so do we as we raise our children and grandchildren. So, as we "watch our little ones instead of the television", "act goofy and do the things you never thought you'd do", or "see yourself in your child or grandchild's eyes" - know that our parents are looking to us to continue to "get it right". Because they did. We love you and continue to pray for God's blessings on us all. The Hall Family
