“ We were so saddened to hear of Carol' s passing. She has been a wonderful friend for the past 20+ years. We have had many long phone calls through the years where we shared just about everything. She was always so upbeat even though she had many health problems the past few years. She would always change the subject when asked about her health to something positive. I will truly miss being able to pick up the phone and talk to her. She was an amazing wonderful woman who I am honored to have had as my friend. She will be forever missed but never forgotten. With deepest sympathy to Ralph and family. John and Kathi Neibecker

“ NO words to express our sadness and grief; just fond memories of many different visits, vacations, and family gatherings over the years. Carol was always the "organizer" and fun loving cousin. Wish we could be there to celebrate her life and support all of you. John and Susan

“ *I truly wish we would have spent more time with this lovely woman. We were invited to their home with a lovely dinner and good friends. Carol and Ralph made us feel so welcome and couldn't have been more gracious . She was so warm and inviting and made us feel right at home. The visit went beyond that making us feel as if we'd known her for much longer than we had. I will never forget her and her wonderful conversations with us. We saw her several other times and we enjoyed every minute of the time we had with her. My heart goes out to her husband Ralph and her family. I'm sure she's left a lot of wonderful memories with them for sure. May she rest in peace and never suffer again for now she's in gods hands. My deepest sympathies to you all. Mike and Sherry Pasquarelli (Mike worked with Ralph for many years at Gould/Westinghouse.)*
