“ Carol was my next door neighbor in Euclid from 1968-1978 until our family moved to Solon. Carol would correct my grammars on my English papers since I was a new immigrant. We hanged out with one another a lot during middle school. Carol's mom taught my mom how to make desserts. I would go over to her house to observe. Rest in peace Carol. Thank you for being a good friend!

“ Keith: Carol was always smiling and helpful in her Purchasing role at Lincoln Electric. I had so many positive interactions with her over the course of my career. She was truly one of those iconic people who I will never forget.  
Of course, I always enjoyed seeing the two of you at various LECO events God Bless you and your family.

“ Keith: both Matt and I were so sad to learn of Carol's passing. She was one of the first friends I made at Lincoln Electric and was always such a huge help to me. I have nothing but good memories of her and how patient she was as I learned. She was beautiful inside and out. We've been keeping all of you in our prayers. Take care. Diane Fleming

“ Keith, so sorry to hear this very sad news. You know Carol and I were life long friends. Grade school, high school and 40+ years at Lincoln. I know we haven't seen a lot of each other these past few years but when we did it was always like no time had passed. I'm truly saddened by your loss. Don't know what else I can say. Love to you, from Don and Sue Srnick

Her kindness and willingness to help us with our retirement questions was invaluable. She was an instrumental member of our Lincoln family and we love and miss her. May she rest in peace.
