“ *Condolences to Carol's family, she was a wonderful friend of mine in jr high and high school, made memories I'll never forget. She was one of the first ones to get her license, we rolled around Mentor in (I think?) her grandpas car, going to the mall and just be-bopping around town as teenagers do. Her confidence and smile were contagious. I am grateful to have had her in my life and she is most certainly gone way too soon.*
