“ Dear Julie,

*I'm very sorry to hear about the passing of your Mom. I remember meeting her (I think she brought you a Shamrock shake on St. Patrick's Day one year when you and I worked together). I'm so glad I got to meet her. I wish you peace in the days ahead. I'll be thinking of you.*

*Sincerely,*

“ Phil, Carrie Beth, Julie, we are heart broken to hear of Carrie’s passing. I have many memories of being room mothers at Fairfax, and her trying to teach the poll workers how to tap dance. She was a lovely lady and she will be missed. Sending you all our love and keeping you in our prayers.

“ Phil was my work friend but from the first time I met Carrie, we connected. She was a caring lady and always stylish. Even when she had to use a cane she looked stylish. I will miss our fun times together with her and Phil. I know she liked her tequila and I tried sipping it like she did but couldn’t master it. She was one of a kind. So sorry for Phil, Carrie Beth, Julie and Russ.  
I will miss her so much.
