“ Carson Riddle was one of a kind. He was a gem, maybe not flawless, but one you could never find, again, anywhere on earth. We loved him more than words could ever say and miss him, so very much, every day. I, Connie, never knew my father, but if I could ever be honored to have one he would be just like Carson. No matter how bad your day might be going just to sit with Carson made everything so much better. He always made you laugh. We miss, and love him, and always will. He will be with us forever, never forgotten. Love, Mack & Connie
