“ *Memories of Chuck ... so many of them ... playing cards, cookouts/dinners out, shared holidays and trips, babies becoming children. He was smart, exuberant, quick to laugh, devoted to Paula, plus a great father to Katie and Jenny.*

So hard to process this news. Imagining the absence Paula is experiencing; they were such a huge part of each others' lives for so long. And losing a father is hard - Katie and Jenny, please feel this virtual hug.

Praying for comfort for each of you ... and offering one of myriad memories ...

The evening the four of us were relaxing and playing cards ... Ishtar grabbing the cheese ball off the tray ... and Chuck running after that sweet, silly dog! I'm actually smiling as I recall our laughter!

With compassion,

Bruce, Karen and Marissa Lombardi
