“ Chrissy was a lovely person. Dedicated mother, wife, sister.family was very important to her. She was a lively, loving, funny young lady. Terrific mom, her children were her world. We lost a beautiful soul. With God's love and faith guide us through sadness of her list. Chrissy and her sisters (the girls) were the true meaning of unity of family. My heart and prayers go out to you her family. Lisa Brunnet

“ I met Christina in 2017 at Lakemed and she oriented me to the new job with the Company at the time. Such a down to earth, kind hearted, loving human being she was. Never a day had I seen her sad, upset or complain. She was neutral to everyone. Years later she remained the same. I would meet Christina at the Karate place where our kids attend. Such a young lady who was dedicated to her Job and family. Christina my friend, God decided to take you so early cause He saw it fit, He needed an Angel like you by His side. While you are enjoying Heaven, please continue to look after your kids and husband. Rest well my dear friend. You will always have a special place in so many peoples heart including me.

“ My sympathy to Bob and Savannah and Sammy and to all of her caring and loving family. Chrissy will always be in our loving hearts and special memories of our time shared. I am sure her love and spirit will watch over her family and especially her children. The love and memories of her will give them some comfort. And her love and faith in her husband Bob will help him to continue caring and nurturing their wonderful children through this difficult time of loss, to the future she wanted for them all.
