“ Ed and Clarice bought their home from me when they moved to Cleveland 30 plus years ago. As you know she became a successful Realtor a few years later. Their children were little and got tired of the "hunt" for the perfect house to become their home. The day they made their decision to buy, their children were in my back seat tearing up the Homes magazines and saying Yay!! Ed and Clarice were two of the nicest people that I ever had the opportunity to represent. Classy people who you loved to be with. She will be missed my many.
