“ Dear Jean (& family),

Although words seem to say so little, I hope they help in some small way to ease the sense of loss that you're experiencing today. Hold fast to your memories, to all of the cherished moments of the past, to the blessings and the laughter, the joys and the celebrations, the sorrow and the tears.

They all add up to a treasure of fond yesterdays that you shared and spent together, and they keep the one you loved close to you in spirit and thought. The special moments and memories in your life will never change. They will always be in your heart, today and forevermore.

*We love you
Thinking of you always,
Bobby & Jayne*
