“ *My sincere sympathy. I was freinds with Connie way back in high school. There was a group we all used to hang out together. Edie Cook and Sue Fussner were the other 2 that I remember. I have thought of her many times over the years. Connie was such a fun loving person. My prayers for her family and friends. Michael Mox Chiappone*

“ *My dear friend Connie-oh how you will be missed. I met Connie in grade school and we have been friends ever since. Many adventures, trips and visits to see me in California and Florida. Always bringing her pictures to look at all kept neatly and designated by date and event. Connie lived her life as she wanted and loved the sunny days, her friends, and especially her dog Molly. You will be forever in my heart. RIP my best friend. Love you like a real sis always! Sue*

Connie was one of the sweetest, kindest souls I ever met! I have great memories of working as a waitress with her for years. She spent time down at our family beach, as she loved the lake and Was at our last two boat race parties. Our family was so sad to hear of her passing. Our condolences go out to her family. Her smiling eyes and kind heart will always be remembered.

“ I'm going to miss my free spirited friend. Gosh, we go back so far. My first memory was of her getting out of an old van with Joe Fisher (looking like they just came back from Woodstock) and me asking Scott (her brother / my friend) who is that? Well, that was his cool sister who let me play her records as long as I didn't scratch them. As time past Scott went off to college and Connie and I became close friends. We put many miles on my cars. Touring, taking pics, going to concerts / events, fall leaf tours, Amish country, county fairs, beach days, winery nights, dinners or just plain driving around enjoying the beauty Lake / Geauga Counties had to offer... She was always there when you needed. 3 words: Caring, Sensitive and Kind. We all became part of her history thru her photos. She knew who, what, where, when & why thru her index boxes of memories. She became a part of the Timme family and will be sorely missed. Pam and I send our prayers and best wishes to Lori and family.

“ I spent a big majority of my childhood with my “Aunt” Connie. We were always at the beach collecting beach glass. And spent a lot of time with her bunnies in her back yard. Great lady who will be greatly missed by all who knew her.
