“ *First and foremost my heart goes out to all her family and friends. Connie and I met in Leroy. I met her when I was 8 and she was 3. We have been friends since. We have seen each other through thick and thin. She is more than a friend she was my partner in crime. I will remember it all. Cherish her love and I know God is blessed to have her as we all have been.*

“ *Connie was so well loved by her family. She was a great friend, daughter and sister. Her last few years were hard and her family stood with her the entire time. I know she is in a more peaceful place, but that does not diminish the sorrow of losing her and that beautiful smile. She could light up a room with it. My thoughts and prayers to the family.*
