“ *Connie and I didn't like each other at first but we became very close friends from Marching band to Little Joe's pizza to vacationing in Cancun oh what fun we had. Her sparkling personality and sense of humor. Connie you will be greatly missed, my friend. Always in my heart. Our talks on the phone for hours catching up on things will be with me forever. May perpetual light shine upon you until we meet again.*

“ *Connie was one of a kind. To say she was a giving person is too little. To say she was a loving person is too little. To say she was a caring person is too little. Connie never did anything "little" - she put everyone and everything before herself whether it was family, friends, or her work. She will be missed for sure but never forgotten. God Bless You!*

“ *Connie was my LADY and my love. She was always putting someone else first. Connie just made everything better and was a joy to be with. To say that I will miss her isn't enough. There will be a big empty space in my heart without her. Sam*

Connie was the greatest sister anybody could ever have. She was my Disney buddy. We had so much fun planning those trips. She could make me laugh and look on the brighter side of things. There is this huge void in my life without her now. I miss you Con.

Connie was always fun to chat with at the Peterson reunions. She alone kept me in the loop on family losses. I only stumbled on this Obit while scanning the internet for Kornmillers so I am a bit late on this one. Sorry for your loss, Diane, Gary, Carole, Erik and families.
