“ My thoughts and prayer are with the family at this time of loss! I am so sorry and sad I missed the calling hours. I never met any of you but I heard many, many stories from my Miss Connie! I worked with her at Breckenridge for 14 years! We were very good friends and got along so well. It was always nice to see her at the beginning of the shift. I knew we would have a fun day together. Such a beautiful human being, very knowledgeable, very caring and the most honest person someone could ever meet. I still cannot believe we just worked together a couple of weeks ago! She was a seasoned nurse, obviously she was a nurse for decades. Thank you for your friendship and your always, selfless advice. I will never forget the times we spent together working. I hope Sue Paxson was waving to you when you arrived in heaven! With love, Bela Szucs

“ *I am so sorry to hear about Connie passing away. I am a Hospice nurse that comes into Fairmount several times a week, and I was always so happy if Connie was working on the days that I came in. She was young and hip and a wonderful lady who seemed much younger than her 80 (I can't believe that she was 80) years. We shared many interesting conversations and laughter around getting the work done. She was wonderful and I will certainly miss her. She was a fabulous example to all of us. Lois*

My deepest sympathies to Dawn, Dan and Darlene. My gratitude is for the gift your mom gave me in both maternal and professional guidance. I was just a lanky teenage kid when she hired me for my first important job as an orderly and nurse's aide at Richmond Heights General Hospital where she was Director of Nursing. She saw something in me that only a mother could see and she always encouraged me and supported me in becoming a successful caregiver. Ultimately, I would run with those skills and blossom into a Registered Nurse which continues to be my vocation to this day. She was so much more than a boss: she was a loving gentle, motherly presence and mentor. I wish her God's peace. Finally, Dawn, Dan and Darlene; thanks for sharing your mom-may you all experience loving peace in your memories. You each will remain in my prayers in the days ahead
