

## Court A. Gable

August 31, 1961 - January 2, 2024

Court Adam Gable, age 62, passed away on Tuesday, January 2, 2024 at Regency Hospital East in Warrensville Heights. Court was born at St John's Hospital in Cleveland to the late Pete and Anita (Stange) Gable on Thursday, August 31, 1961. He was the youngest of 3 boys, and lived in Mentor since Dad moved the family to their new home a month before Court's second birthday. Court graduated from Mentor High School in 1980.

Faced with some challenges right from the start, Court almost always had a great attitude and found plenty of things that made him happy. Sports were his main joy; playing them when he was younger and later always watching and rooting loudly for the Browns, Indians, Cavs, and of course the Buckeyes.

Court's health challenges increased later in life, finally compounding to a point that, although he battled hard, could not be overcome.

Court is survived by his brothers Clay and Chris (Sarah Greer), and his much-loved nieces and nephews Jessica (Anthony) Frances, Garrett, Adelia (Gavin Currence), Asher, Adam, great niece Aurora and great nephew Miles.

Clay and Chris wish to thank CDC Mentor and Heather Hill for helping Court, and everyone at UH Lake West and Regency East for trying as hard as they did. We will miss you, little brother.

The family will receive friends from 5:00 p.m. - 7:00 p.m. on Friday, January 26, 2024 at Brunner Sanden Deitrick Funeral Home and Cremation Center, 8466 Mentor Ave., Mentor, Ohio 44060. Private family inurnment will be in Mentor Cemetery at a later date.

“ *Clay and family,  
I just saw the death notices and saw that one of my all-time favorite patients passed away. Your brother meant the world to me each time I saw him and yourself Clay. You were always there, every day, to be at your brother's side. You can be very proud of your dedication and love for him. I know, too, he was cared for by his nurses and doctors st Lake West too. His faith in God was truly a part of his life. He now rests in our Lord's arms of love and mercy. He, yourself and your family have never been out of my prayers. Now they are for you. Court, may you rest in peace. You greatly deserve it. Amen*

“ *I have known Court since he was a preteen when I became Clay's girlfriend in the mid '70's. Court was always shy around me at the beginning, but as the years went by, he loosened up some, and became comfortable with my presence in their home. Then as the years passed by, we had conversations that were memorable; I especially remember his laugh. It was GENUINE. Everything about Court was always genuine. I don't think he had the capacity to be anything BUT genuine. I know for a fact that Court's soul is with his parents in heaven or whatever realm we go to after we shed the human body. I wish Clay and Chris peace and serenity knowing that Court's struggle is over and he flies free now.*

“ As our lives go by through the years , we meet people along that journey. Some of them just acquaintances , while certain others , such as Courty who are truly special become far more to us. He was more Brother than friend. Robert , and Courtney became true pals when just in grade School at Center Street Elementary school. From that first time that Court came to our Home he just FIT right in with all of us. His generous , loving spirit was what people always seemed to notice most of all. There was always a TRUE INNER BEAUTY to Courty , something that you can feel from one heart ❤️ to another. My Mother, and Father both loved and cared about him , just as all of us did too. Court had been a part of our lives for over 50 years , You don't have a true friend that long without growing to love them. We are honestly very saddened by his Passing , but we know as well that he is in a far better place than this world ever could be. G O D BLESS YOU COURTY , I pray that You are now , and Shall always be at Eternal peace , 🙏 AMEN 🙏 ... RIP Our Friend , R.I.P.

*We are so sorry for your loss.  
Court was a good friend .  
The Bentley family loved Court and the Gable family . He would come down to the house play basketball, football, baseball etc.  
Many hours and years together.  
He liked to play cards too. Think he liked Rook the best.  
We played many Rook games over the years. Along with other card games. Court made it to moms 90 the birthday party last June. He had such a good time at her party.  
Court loved the Browns and Cleveland Indians big fan.  
We had some great times with Court over the years. 💙💙💙*
