“ Hi Sis, I remember us holding the rails of our bed, trying to stay awake until Mom got home.

I remember our log-raft we built and tried to sail off Markell Rd. I remember the parties and the concerts we'd go to in our teens Us catching the chipmunk in Verbskies lawn

I'll miss you greatly; I'm glad we had the visit in Saint Augustine with Stan; it was special!

I'll always maintain the love and prayers I've had for you, they'll never subside!

Most of all, I'm so happy that you're in the hands of God, in ultimate peace, love and serenity and though I'll miss you, I know I'll be seeing you again, free from the hardships here on earth. I love you so much Sis forever - God bless you and see you "soon"!

*Love Your Bro;
Glenn*
