Rickie Bentley - October 31, 2023 at 11:03 PM

“ (“ I SHALL BE WITH YOU...” ) Although the place I used to sit is now empty , My place in your Hearts shall remain , I wish for you one and all only Joy , never sorrow , nor Pain. I know that you shall miss me , but please understand that that’s just the price of life , mine was filled with the greatest treasures , that of Gramma , Mother , & faithful loving , devoted Wife. Just take a look around you , when you feel sad that I’m no longer around , You’ll find me in my loved ones daily lives , yes I shall always within them be found. There in their laughter , as well as deeply rooted within their Heart , just look into their faces , and You will find , That We are not so far apart.....
