“ It is so hard to know just what to say. For the past 17 plus years Dana was a big part of our life. To get used to not seeing her at family gatherings will be so difficult. Seeing her so often since she moved in with Mark and Laurie we really got to know each other quite well. She was always concerned about the well being of her daughter and son and their families that she would say time after time "I know I worry too much." But that was because she cared so much and that was what made her special. The next few weeks will be hard but to know that she is no longer suffering makes it a little easier. Rest in peace and know that you won't be forgotten.

Dana has been one of my best friends since 1986 when I met her at Lakeshore Manor Care. She was their payroll manager and I was the RN that ran a nursing prn pool for the 5 facilities in the Cleveland area. We have stayed friends since the first day we met. We were single parents and were focused on helping our kids thru life. She was loyal to her family, kids, friends and her job. She enjoyed seeing her family do well, reading, shopping, watching movies and keeping up with her soap operas. She was considerate of everyone and always put others first. She was a great friend and will always be missed. My sincerest sympathy to her family and friends. She was especially devoted to her granddaughters who she loved dearly and was so proud of. Rest in peace my friend.
