

Daniel A. Chase

October 10, 1963 - September 2, 2021

Daniel Arthur Chase, 57, of Rock Creek, unexpectedly passed away on September 2, 2021. He was born October 10, 1963 in Willoughby.

As a child he spent countless weekends on his Uncle Jack's farm riding horses, dirt bikes and learning how to shoot guns. He was a strong-willed child and man, which motivated him to start his own business and become the owner and operator of D.C. Maintenance.

Dan's proudest moments include the day each of his daughters graduated college and when his grandchildren were born. He has had many titles in life but Papa was his favorite. He always had a funny story to tell and everyone that knew him has a favorite.

His hobbies included: getting the best deal at a garage sale and collecting vintage toys (especially GI Joes and Fisher Price). He knew every episode of Family Guy and loved listening to loud classic rock on his Gollehon speakers.

He was a fabricator of many things and if a job came up, he not only had the tool, but the skills to complete it. He built many unique projects that his grandchildren will always cherish.

Survivors include his daughters, Shannan (Jason) Szekely, Ashley (Harry

Martin) Chase and Brittany (Eric Arko) Chase; grandchildren, Madelynn, Carter and Harper; mother, Ruth Chase; siblings, Clifford (Heidi) Chase Jr, and Cindy (Jim) Adie; nephews, Clifford (Shannon) Chase III and Zachary (Kristin) Chase; great nieces and nephews and girlfriend, Sharon Galey, her children and his Motorola flip phone.

He was preceded in death by his father, Clifford Chase Sr.

We will always remember our Dad in a pair of ripped Levi's jeans with a bandana on his head. He will be greatly missed by all who loved him. We take comfort in knowing he is with his Dad and we will one day be together again.

Private family services were held in memory of Daniel. A celebration of life will be held at a later date.

Arrangements entrusted to the Brunner Sanden Deitrick Funeral Home & Cremation Center, 8466 Mentor Ave., Mentor, OH 44060.

“ *Dan was my good friend who I've known for 50 years. It's hard to
put into words how dearly I will miss him. He was the best mechanic
I ever knew and there was no job that intimidated him. He could do
it all and undoubtedly his knowledge came from his father, whom he
loved dearly. He employed me when times were bad for me. When
we worked together, it wasn't like working at all because we enjoyed
each other's company so much that the time passed quickly. I have
so many fond memories of him and I will hold those memories close
to my heart. I will miss him and the friendship we had for so many
years.*

We met Dan through our son-in-law. Dan was always so kind and gracious to us when we would see him, and we grew so fond of him, as time went by. We were so shocked and saddened to hear of his passing. May he rest in peace. John and Carol Fornadel
