“ I can't believe I'm sitting here today (2/6/2020) and just found out that Dan had passed away. I just tried to call him and sent him a message. Had no clue and I feel sad. He was a good friend to Donna and I. We moved to Florida but kept in touch. Dan loved his family, that is no doubt. He also loved Jesus which is a comforting thought right now. Donna and I are so sorry to discover this news right now. Rest in God's glory our dear friend.

“ We will miss Dan very much, and cherish our memories of him. The many rounds of golf, the long chats on the phone, the times we got together for breakfast or lunch.
Just so glad I got to have breakfast with him in July, and Mary and I were able to visit him in the hospital. No doubt he is making everyone laugh in Heaven now. Love you pal.

“ I am so sorry to learn of Dan's passing. I had known Dan since the 80's when I worked at Mentor Savings and then he became my broker when he was at AG Edwards. He was a great guy and so much fun to be around. My sincere condolences to his brother Don who I worked with at Osbornes, and to all of the Deitrick family. You have all gained a wonderful guardian angel.
