“ Dear Gayle,
I'm so glad and honored to know Dan and you through the years. Always enjoyed our visits at my office (a highlight, for sure!), lunch and funny phone calls with Dan! He was always full of energy, good humor and didn't let his health stop his spunk. I admired that so much about him. I'm grateful that a professional relationship blossomed into a friendship with you and Dan. I'm here for you Gayle and saddened by your loss. All my warmest thoughts and prayers are with you.
