“ My name is Jim McGowan and I am a business associate with Dan. I only got to work with Dan for a short period of time, but I feel very fortunate that I was able to meet him and found that he was a truly genuine person that made you feel better about yourself when around him. He was a professional and really good at his job, but more importantly it is evident that he was a great human being to others. I am very saddened by this event and want to express my sympathy to his family, extended work family, and all those that cared for him...and I'm sure there are many. I'm sorry that I cannot attend the Memorial, but my thoughts will be there with everyone. I am happy to donate to the dog shelter in Painesville in Dan's behalf per his wishes. Take care of each other. God Bless.
