“ Kathy, one can only imagine the heartbreak that has entered your life. As you know, Danny and you were always surrounded by many good friends. Some of my fondest memories will always be you and Danny walking thru the high school together. God bless Danny on his journey.

“ Dear Kathy, Tony, Chris

My heart sank with sorrow that Kathy is with out her beloved Dan, and regret that I did not try harder to reconnect with you guys. But I did try in the last two yrs, in my search thru the net and phone calls to past employers, but to no vail. I guess I simply did not try hard enough.

Dan and I were graphic apprentices in 1972 at Wm Feather. Worked with Dan for only Five yrs. Went out as couples with Kathy and Roseann but those Five yrs fulfilled me with a lifetime of memories of Cars, Families, Peace and Love for our wife's. Still have the ceramic owl your Mom/Dad made, hanging in my Parma house. Turned it on this morning to let it shine, just like you Dan. Always look up to you, after all you were twelve months older than me, twelve months smarter than me, and twelve months more in trouble than me...good trouble.

Dan I know you had to sail on with regret of leaving your family but your body need desperate rest and I know with all my heart you will defiantly look on your family as you always did just in another dimension.

Bachman Turner Overdrive, Virgina Beach, Vegas, Torinos and our beautiful families forever.

Peace out Dan and THANK YOU for our experiencing of Danny and Kathy.

We love you and think of you guys often.

See ya latter Dan.

All our love to you Kathy, Tony, Chris
