Although faced with many hardships, Dan had a full and joyous life. Dan joined the Navy at 17 years old and was very proud of all the countries he visited while serving. He returned home to his childhood sweetheart and went on to have 3 children, 8 grandchildren and 54 years of marriage. Dan experienced a life setback in 1966 and spent 2 years in recovery. This did not stop him. He went back to school, learned a new trade, and eventually opened his own successful design and drafting company with Carol. He worked side by side with his youngest son. Dan would load any willing and able body into the car on the weekends and go look at all his houses. He was

proud to have designed many in Northeast Ohio. Dan was a talented artist and loved to travel. He visited the blackjack tables in Vegas yearly. Dan always had a positive outlook on life. He was a friend to all he met and was always quick with a joke. We will miss you dad, papa, husband and friend but we know you are finally at peace and running free at last.
