“ As Dannys favorite Aunt Mickey, i want to say i loved him dearly †
🌹 when he was born i was the only person he was left with and that
wasn't very often. Mom & Dad kept him very close. I am honored to
have been with my sister at Danny's bedside when he got his wing's
at 5.07 am Easter Sunday and went to be with the Lord. I was
honored in his birth and honored to see him home to the Lord.
Danny loved all 6 of his children with every beat of his heart. I love
my nephew and miss him emensly as does his Mother and children.
My Danny my love is at peace now. He suffered and passed
peacefully . Danny had wonderful buddies that loved him whole
heartedly and stood by him till the end.
They helped with the children that Danny loved so much. Danny
loved the outdoors and the Hospice nurses pulled Danny's whole
bed outside for his Mother and myself to get him outside just one
more time. God Bless his Grandpa Nelson who went with Danny to
be baptized. He loved his Grandpa and found salvation through his
baptisms. Rest Danny for your children will be taken care of by your
loving family and buddies with their wife's as well. You left a village
of people that loved you and love your children. RIP my 1st borned
nephew Danny , i will love you forever. †🌹
