

Darlene (Luzny) Jupp

December 7, 1939 - June 10, 2025

Darlene (Luzny) Jupp, age 85 of Mentor, passed away peacefully on Tuesday, June 10, 2025 at UH Lake West Medical Center in Willoughby, OH, with her loving family at her side.

She was born December 7, 1939 in Cleveland and was a life-long Mentor resident. She was a proud member of Mentor High School's Class of 1957 and later attended Lakeland Community College before raising a family.

Mrs. Jupp was a retired Executive Secretary for PPG (Man-Gil Chemical) in Euclid where she finished her career in 2001. Prior to that, she was employed at Dalton Industries in Willoughby and Addressograph-Multigraph in Euclid.

In Darlene's early years she enjoyed bowling and golf and was a member of Sweet Adelines International, a worldwide organization of women singers who entertained crowds across the country and around the world. She delighted in spending time with friends and family. In her downtime, she was a ravenous reader of all genres and her favorite spot to read was on a sandy beach.

Throughout her life, antiquing was her passion. She fervently collected antiques and unique collectibles and resold them at numerous resale boutiques in the area. The thrill of the hunt kept her active throughout retirement where finding the next hidden gem fueled her zest for life. Those that knew her would say she was a hidden gem. She will be missed, but we

take comfort in knowing that she is hunting with her sons at the best garage sale in the sky.

Survivors include her husband of 64 years: Robert “Bob” Jupp and son: Larry (Jennifer) Jupp; grandchildren: Nicole, Natalie, Kellan, Cameron, and Marlee Jupp; brother: Tom Luzny; nephew: Nathan Luzny and French Bulldog: Oakley.

Preceding Darlene in death are her sons: Kenneth R. Jupp and David M. Jupp; parents: Edward and Vera Luzny and infant brother: Phillip Luzny.

A memorial service will be held at 4:00 p.m. on Sunday, June 29, 2025 at the funeral home.

A private family inurnment will take place at a later date in Mentor Cemetery, Mentor, OH.

“Darlene and I met in 1954 as freshmen at Mentor High School and BFF'S ever since. My annual trips to Mentor always included visits, lunches, good times with her. Can't believe those get togethers have come to an end. So much laughter, a few tears. There were four of us now two, always in touch, visiting in each other's homes wherever that may have been, Florida, Arizona, North Carolina and, of course, Mentor. .I will miss you forever my friend. Rest in peace. Deepest sympathies to Bob, Larry and family. Janet Wilkins

“Darlene and I met when we both worked at Dalton. Throughout the years, we shared many wonderful times together, white water rafting, parties, lunches and endless laughter. I was blessed to call her my forever friend. She will be missed and never forgotten.

“Our hearts go out to Bob and all of Darlene's family. Dan and I are going to miss Darlene so much! I am struggling with the right words to let you know how much she meant to us. Dan and I would show up out of nowhere and she always welcomed us. I loved sharing and reviewing books with Darlene, almost always over a beverage... or two, We enjoyed her organized garage sales and had many belly laughs together. .

Living 2 doors down from the Jupp family was one of the greatest gifts of our lives. We were always welcome there (day and night) and Darlene's kindness, patience and tolerance made the opportunities for fun and laughs at the Jupp household endless. She will live in our hearts forever.

I will always remember the numerous fun times we had in Canada with Darlene and Bob. Always a great time spent with them in Canada as well as at home. If I just stopped by the house to say hi it would end up with a dinner served.

I had the pleasure of meeting Darlene and Bob years ago and spent my New Years with them. When visiting from Houston my partner and i would hit some of the wineries and on occasion go to flea markets with them. We had many laughs with them. Darlene will be greatly missed.

How can I put into words all the memories I have from the past 70 years with my dear friend Darlene. Dar and I were in the same Home Economics class in high school. The day our cooking class made popovers, ours did not turn out. So we started calling each other "Floppy" and we have never stopped doing that. After graduation I got married in 1960 and moved out of Mentor as my husband was in the USAF. Janet Skagenberg Wilkins, Dar and I have remained close by phone, visiting each other and always keeping in touch. I will forever miss Floppy's voice but I have memories of my wonderful high school friends that will live forever in my heart.
