“ Memories quite long ago at Bethel Lutheran Church which lasted in our hearts. So sorry to hear of Darrell's passing. We had no idea as we don't get a paper. May our loving Savior hold you all extra tight (like He could hold any tighter every day). A "birth"day in heaven!-- what a joy for Darrell! Seeing His Jesus face to face! What a hole it leaves in the lives of those still here! May God keep you all in His Mighty Hand!

“ I remember the Day that he was Hired at Lucas Machine. I was assigned to Show him around and introduce him to other office employees From that first day ,we remained friends and sometimes he would request a favor from me, while I was working in the Service Dept. and I too would ask for his help when I got in a Tight spot and needed Parts for a Breakdown order

Prayers to the Family, at this time of Sorrow.

•My thoughts and prayers are with you and your family. It was a joy to work in the presence of Darrell, and I will never forget the warmth of his smile He brought to the office each and every day
