“ My deepest condolences to Dave's family and close friends on your loss. I met Dave in 1983 at OSU he was a vibrant wonderful musical storm from Mentor. Upon first meeting him he said "...from what I don't know I derive from what I do know". Drive on, Dave.

“ *Our deepest condolences to Mike, Bill, family and friends.*

We loved Dave and feel very lucky to have known him.

Dave was kind, humble, smart, solid, and a beautiful soul.

Super Bowl parties will not be the same without Dave and his shrimp.

We will miss him and always remember him fondly.
