“ I’m so sorry to hear of Dave’s passing. I remember hanging out in the neighborhood & going to Mentor schools with him & Patti. Playing kickball in the street & flag football in backyards. Good memories to hang onto.

What nice memory. I remember summers in traverse city when he n Patty were little kids. We braided dandelions into bracelets and necklaces and wore them in a small lawn near my aunt and uncle parker's house. Our playmates were butch and his sister. Grandma Davis took us to the zoo to see the native Michigan animals birds and aquatic zoo inmates who had been rescued and rehabilitated. It was right on the water. Best zoo ever with eagles that had a baby and a crow that greeted you saying hello!
