“ *I was very sad to hear of Dave's passing. My fondest memories of Dave were on his motorcycle as he helped with communications for the Cleveland Triathlon. We often met for attitude adjustments before LEARA meetings as well. Fond memories also in the basement of the Foran household as we printed and folded the club newsletters. I will miss him.*

“ Sending prayers and love to you all at this most difficult time. Dave was a great guy with a great sense of humor. He sure devoted himself to South High boosters for many years. He is watching over all of you now from Heaven . May you find peace knowing he is free from his health issues now and probably organizing bingo in heaven !

“ Kelly and family, I didn't know your dad but, watching your face light up while you speak of him and your family made me feel like I did. May your dad's blessings continue in Heaven and your blessings triple as he watches over and guides you. Godspeed to you and your family.
