“ *Will and I are sorry to hear of David's passing---he will be missed. We both worked with Dave at Production Machinery. I was his secretary when I was there and Will was an application engineer. We will always remember him the way he was when he worked at P/M.*

“ I have known Dave for over 42 years, starting at Production Machinery back in the 70's. Later in life, I had the pleasure of moving next door to Dave, Vernie and their wonderful girls on Garfield Road.

Dave was ALWAYS kind, generous and accommodating to his "noisy" neighbors to the North. We will miss you Dave but knowing you are now pain free, in peace and with God makes your absence just a little easier.
