“ *Poopsie... I will and already do miss you. Yes, we had a lot fun and even more laughs at post office vmf. We called each other that and got plenty of looks, but if you knew him you know that really didn't matter there were no phobias. He would bring doughnuts when he would be in the right neighbor hood, he coached my son when he raced his 1 ton truck, he would save us a spot in the pits, he was just a real good guy and an even better friend. May God keep you close and your family protected. Jim Emrick*

“ Priscilla and family, Dave was a special person and will be missed greatly by so many. We each carry with us a special memory, but we all remember his kind, helpful manner and his constant smile. Once you met Dave, you had an instant friend. Priscilla, Dave loved you so much and I know it will be difficult for you to carry on. Remember that he will always be by your side guiding you. Love and strength to you and the family.

“ Priscilla...I was saddened to hear of Dave's illness and his early passing. It seems the good leave us too early. I became acquainted with Dave at S. M. P. We shared the same passion for drag racing and 65 Chevy IIs. I didn't know him all that well, but I knew he was one of the "good people." I will miss him and I'll think of him every time I'm at the track...God be with you and your family at this difficult time...With sympathy, Larry Strohscher
