

## Deanna Kay Shockey

October 29, 1946 - May 9, 2015

Deanna Kay Shockey, 68, of Painesville passed away after a hard-fought battle with pancreatic cancer on Saturday May 9, 2015 at Western Reserve Hospice House in Cleveland, Ohio. She was born October 29, 1946 in Philippi, West Virginia.

“When you die, it doesn’t mean you lose to cancer. You beat cancer by how you live, why you live, and the manner in which you live.” – Stuart Scott.

Deanna was a Registered Nurse, graduating from Fairmont State University with her ADN in 1966, later on with her BSN from Ursuline College in 1985, and was inducted into the Sigma Theta Tau National Honor’s Society for Nursing in 1985. She was a life-long Registered Nurse at Lake Hospital System, ranging from Medical/Surgical and Critical Care Nursing to Nursing Education. She was a major contributor to the development of the Cardiac Rehabilitation Program in the mid-1980s and the Diabetic Education Program in the late 1980s. In addition, she served as a part-time Clinical Instructor for Lakeland Community College and Bryant & Stratton College for over 20 years, and served as a mentor to large number of current Registered Nurses in the Greater Cleveland area.

Deanna was baptized at the age of twelve, was an active member of the Church of Christ, and dedicated her life to worshipping, teaching, singing, and

studying God's Word on a daily basis. She enjoyed spending time outside gardening, playing with her grandkids, and taking family trips to Disney World. In addition, she always dedicated her life and services to the well-being of everyone around her, and placed their needs before hers.

Survivors are her husband Armen Shockey; her children Perry (Tamara) Shockey and Randy (Vanessa) Shockey; her grandchildren Kyle and Veronica Shockey; her mother Mildred Bartlett; her sister Loverine (William) Pigott and other loving family members.

She was preceded in death by her father Leonard Bartlett in 1984.

Funeral service will be held 11 a.m. Wednesday at the Brunner Sanden Deitrick Funeral Home & Cremation Center 8466 Mentor Ave., Mentor, OH 44060. “ Deepest sympathy to the family. Dee was the most loving, gentle, kindest nurse I have ever worked with. She was so good with her students. Always a smile on her face, and a kind word to share. She was the perfect role model as a nurse. I am sorry I just found out today of her passing. She will be missed by many, but never forgotten. Rest in peace my dear friend.

“ *My beautiful Aunt DeeDee....there are so many words, so many memories I could share that I have in my heart for you. That I have your middle name. That I gave you your name "DeeDee" when I was learning to talk. That you were my second mommy. That you stood beside me when I got married. You always encouraged me. All the summers at your place-piling what seemed like a million kids in the van for trips to Geauga Lake and Cedar Pointe. Talking about everything from boys to make-up to medical things. Giggling. But I will keep my promises to you. And I will send you balloons so you can practice with your new wings-just like we talked about. And you will be forever in my heart! I love you....❤️*

“ *Deanna was my beautiful baby sister. I was always so proud of her and her accomplishments. She had a loving family and always was there for those of us who needed her. I will miss her so very much but the suffering was too much and God said it is time to rest. Armen, Perry and Randy and extended family may we always remember the good times and hold together as a family. May God bless us all.*

“ *Uncle Armen, Perry, Randy and the rest of the family....there are no words that can assuage the grief I know you and the rest of our family feels at this time. I have found, within my own personal loss to cancer, that it is much better to focus on those great memories spent with one we loved. So I'd like to share some memories of my Aunt Dee Dee. I remember the trip to Cass Scenic Railroad when we were little, camping along the Cheat River, Geauga Lake and going to Lake Erie, and all the holidays back on the farm. There are too many too list! My own belief is that death is not the end, but merely a fork in the road on life's journey. She will live on in our hearts and memories. God bless.....*
