“ My deepest sympathy to the family. Frank and Debbie are neighbors of mine which I just met last year. What nice people! I only spoke with Debbie a hand full of times, but she was so easy to have a conversation with. She was friendly, warm and very nice to talk to. The conversations would just just flow so easily. I Inever met any of her children or grandchildren. I would see them come and and go or stay. You could tell she was a mother that would do whatever to help out her children. Again, I'm so sorry for your loss.
Sincerely,
Denise
