“ In 1978, as a newcomer to Mentor, Do introduced me to The Welcome Wagon and bridge groups. She and I would like to think that we were responsible for the marriage of our children, Laurie and Jeff, who gave us the most amazing and wonderful grandchildren anyone could hope for. Do's smile, laughter and good nature was loved by all, and she will be truly missed but not forgotten; I would like to think that she and Michael are in Heaven, "Repairing the World." Prayers and sympathy for her family.

“ Please accept my sincere condolences in this tremendous loss that is felt by so many of us. Do was an awesome lady that I loved working with at church. We had many long talks on the phone. I will treasure the mittens she made me. She will be truly missed. God will surely bless her as she was a good and faithful servant.
