“ *As I look back on the years which have passed us by so quickly, I remember your family so fondly. Stacey and Dawn were always together at your home or ours. Getting to know you all was so important and getting to know Denise, as Dawn's older sister, was esp. fun. I remember her sense of humor...she always made me laugh! Then I met Brian and they just seemed perfect for each other...how we all laughed about dogs vs babies....dogs winning out, hands down and we all laughed so hard! What a lady! What fun sharing a little piece of Denise's life. Thank you all for sharing your family with ours. And now Denise is sharing herself with the Lord. Denise...make room...we'll see you before you know it. God bless you for all the years of loving this special gift from God above. Joyce Widynski*
