“ My condolences to his family and friends. I worked with Dennis several times at Napa Pipe, in Napa, California while I was managing the San Francisco Office for Lincoln Electric. Dennis was fun to be with and was very helpful to me and our Company. I was always impressed with his knowledge and the way he could deal with difficult customers. He had a positive impact wherever he went. I was very sad to learn of his passing and honored to have called him my friend; I feel lucky to have known him.

“ *Dear Mary Beth and family. So sorry for your loss. Dennis was one of the smartest and nicest guys I have ever met. His sense of humor had us cracking up on a regular basis during our poker games. Obviously he was a true leader. I spent a little time at Lincoln Electric, and for Dennis to achieve what he did at Lincoln is truly outstanding.*

Dennis' bottom line was family and faith first. He will be missed.

Dear Mary Beth and family so sorry for your loss. I worked with Dennis for almost 20 years from a trainee to peer. He was a great person, a man of his word and always concerned about the company, its products and his team. He was a leader that we all looked up to.
