May 27, 1948 - April 28, 2024

Diana L. Oberle (nee Glick), 75, of Perry Township, died April 28, 2024 at Hillcrest Hospital. She was born May 27, 1948 in Cleveland.

Diana was proud to be among the first female commissioned police officers in the state of Ohio.

She was devoted to her family and friends. Her jovial sense of humor was ever present and she delighted in sharing anecdotes, especially of humorous childhood memories for which she possessed a photographic memory.

Diana cherished animals, the outdoors, and art. A talented musician, she played cello and banjo. She enjoyed attending bluegrass festivals and did so for years, making many friends in the community. She adored horses and her pet dogs with which she spent hours training the most clever tricks. She had a knack for decorating and gardening, and engaged in many DIY projects around the house. She found joy in the simple pleasure of just being outside working in her garden.

Diana is survived by her partner, Douglas Campbell, his two children and the Campbell family; brothers Brian (Terri) Glick, and Bruce (Christine) Glick; nephews Gary Glick, Stephen Glick, James Glick, Kevin Glick, and Bruce D. Glick; and nieces Jennifer Glick and Julie Stearns.

She was preceded in death by her parents, Ernest and Mary Glick, and her nephew Eric Glick.

“ I have many fond memories of Doug and Diana. My first "date" with my late husband was at her house. We also spent one of our anniversaries with she and Doug at the lake. She caught a catfish, which we toted around on a stringer behind the boat all afternoon. Before the day was through, she said, "I just can't do it. I can't eat him. We have to let him loose." So, we did. She had a sweet heart. She and Doug were great friends to Jake and I both. I will treasure her memory always.
