“ I love you Grandma! You got to live a long life. I am thankful that you got to meet Ellis & Arden. I'm happy that Ellis has a happy memory with you from when we last visited you. I know you are with Grandpa and giving him Hell right now. lol. I will always remember going to your house and visiting you and Grandpa all throughout my life. I always enjoyed visiting you in Mentor as a kid and as an adult. I have and will always think of you when we go to the Mentor Headlands Beach. Driving home from your house on Christmas Eve is something I will always remember....as I looked up into the sky and watched for Santa. Bye Grandma! Love you.
