“ I thank God for bringing Don into my life. He educated me continually about the US Constitution, Sang next to me in the Tenor section of the St. Mark Choir, provided inspiration to me as he pushed through his disease. I will miss him but know beyond a shadow of a doubt that we will see each other again because of our faith in Jesus Christ. Can't wait brother!

“ It was my pleasure to get to know Don at St. Mark during the past ten years. His life reflected his love of the Lord, his love of his family, and his love of his country. He attended church faithfully and served the Lord there as well. I will miss his frequent posts and videos which reflected his concern for the "faith delivered to the saints" and his concern for those who don't respect the Constitution of the United State and undermine our laws as well. Well done, Brother in the faith. I am confident God has a better place for you. Pastor Ken Welsh
