“ I would take Communion over to Don, and after our prayer time, we would just talk. He had so many interesting and funny stories of the past. I was always so impressed with the amazing housekeeping he did. He always wanted everything clean and in place. Including his hair when I would visit. Don became my friend. I really enjoyed our time together and am very very sad that our weekly get togethers are no longer. Rest in peace Don! You will be missed ! Sharon
