“ Sarah, Bob and I are so very sorry for the loss of your beloved husband! Alzheimers is a terrible disease, as I learned with my father. And yet, you were a wonderful and loving wife to him. He was blessed. I had hoped to go to the wake, but I'm recovering from hip replacement and not getting around too well yet. Please know that you and your family are in our thoughts and prayers. May the memories you have of him bring you comfort and peace!  
Fondly, Jane and Bob Richmond
