“ *Sending my thoughts and prayers to Kathy, Rhonda, and Karen! I've been thinking about you all since I heard the news. Although we have never met and I never met your husband/dad I feel like I know him through the stories my grandma (Irene) would tell me as a child. She would always show me pictures of her and her brothers and sisters and I could always pick out Donnie. She loved her little brother and now they are together watching over us all! May he Rest In Peace. Xoxo*
