“ ❤️ Donna was an amazing person who would love and take in any stray animal and foster or nurse back to health raccoons , motherless mice, birds, and kittens that she fostered from my yard or anyone else's . Everything Donna did she did with a passion including her friendships of which she had many! If someone needed help with anything Donna was your gal! The vault!!! Anyone who knew Donna knew if you did something silly or just plain not read the directions and you messed up it went in the vault along with a pinky swear. Then she would called Doug to fix :) Many laughs and many memories.
Prayers to the Breach and lots of love ❤️
